CANADA'S CHOICE FOR  
QUALITY AND SERVICE

## FORKLIFT SCALE

Installation on a standard 5,000 lb forklift

### Features:

- Two 5,000 lb stainless steel load cells
- Compatible with Class II forklift, 16 in cleat style carriage
- Mechanical overload stops promote scale longevity and accuracy
- Panoramic, 6 in x 20-3/4 in view port
- Reinforced cover plate protects load cells and junction box from debris
- Welded centering pin ensures proper alignment and prevents scale from lateral movement
- Two-channel iQUBE®
- Cal-Match™ algorithm automatically trims and calibrates scale
- Wired installation utilizes a coiled interface cable from scale to indicator

Legal for Trade in Canada
